New Brunswick, NJ  
ISRA Case No.: E2006-0211, PI#: 001849

Dear Ms. Layre:

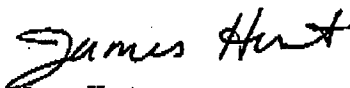

This letter is in response to your December 16, 2008 Surcharge Payment and Renewal Notice regarding ISRA case referenced above, which I received on January 6, 2009. I understand the items are due February 1, 2009.

The requested remediation funding source payment in the amount of \$12,900.00 was mailed today under separate cover directly from our Payment Center. Reference Delphi check number 900753764.

As you know, the projected ISRA remediation costs at the property are currently estimated to be \$1,825,000 as detailed on the attached letter from Haley & Aldrich, Delphi's environmental consultant. As of January 7, 2009, the current balance of the remediation trust fund is \$1,825,000 as shown in the attached email from JPMorgan Chase. I believe that we will both receive confirmation via the January month-end statement directly from JPMorgan, but I will forward this on to you once I receive it.

Please do not hesitate to call me should you have questions.

Sincerely,

James Hunt

Dear Mr. Hester:

As requested, Haley & Aldrich, Inc. (Haley & Aldrich) has reviewed the information regarding the subject site and has estimated \$1,825,000 associated with the potential remediation activities at the subject property. This estimate is based on our professional judgment made on the basis of Haley & Aldrich's experience at similar sites in New Jersey and represents our judgment as an environmental professional. Haley & Aldrich has no control over the cost of labor, materials, equipment or services furnished by others; contractor methods of determining prices; competitive bidding, or market conditions, and therefore actual costs may vary.

Haley & Aldrich appreciates the opportunity to provide continued support to Delphi on this important project. Please contact us if you have any questions or require additional information.

Sincerely yours,  
HALEY & ALDRICH INC.
